The Dauphin Borough would like to spotlight the Borough's Mayor, Michael (Mike) McKenna. Mayor Mike is happily married with two children and two grandchildren. He attended Penn State for college and played rugby for twenty years. He served in the United States Army for twenty-seven years as well as a career firefighter. He currently serves as a Lieutenant for the Dauphin-Middle Paxton Fire Company. You may recognize his face, or more specifically his voice, if you attend Bingo at the Dauphin-Middle Paxton Fire Company where he helps call the numbers. Some of the many things the Mayor has done for the community of Dauphin involve snowplowing, picking up trash at the parks, and assisting in painting the playgrounds and the basketball courts.

Girl Scout Music Wall

Girl Scout Troop 10101 designed, constructed, and placed a Music Fence at Hagy Park in the Fall of 2021. This project awarded the Girl Scouts of Troop 10101 their Silver Award.

The Troop's purpose behind this project was for children that may not be able to play on the playset to have an activity while at the park. The wall was placed close to the pavement, allowing those in wheel chairs or strollers to utilize the Music Fence. The wall was constructed of various recycled pots and pans, PVC pipes, and wind chimes.

The Troop would like to thank Matt Smith Construction, BC Wright Concrete, and the parents of Troop 10101 for the supplies and time put into this project. Please stop by and enjoy making music!

Dauphin Area Senior Transit (D.A.S.T.)

D.A.S.T. provides rides to various destinations for residents of Dauphin Borough and Middle

Paxton Township who are 60 and older. Priority is given to medical and therapy appointments, and trips to the West Shore are restricted to medical appointments only. All riders must be able to move about independently (sorry, we cannot accommodate mobility scooters, power chairs, walkers, or wheelchairs in the vans).

This is a free service, but donations are greatly appreciated! Rides must be scheduled at least 24 hours in advance by calling the Township office at (717) 921-8128. Appointments must fall between the hours of 8:30 A.M. to 3:30 P.M. Tuesday through Friday.

Volunteers are needed to drive the van. Without the selfless efforts of a few faithful, caring folks, many in our community would struggle to make appointments, pick up needed medications, and get to the grocery store. If you are willing to volunteer a few hours a month to drive, please contact Rue Megonnell at (717) 921-2727.

Dog Licensing

As the weather starts to warm up, a friendly reminder that all dogs 3 months and older must be licensed.

Annual licenses are available in person at the Dauphin County Treasurer's office, 101 Market Street, Room 105 Harrisburg, PA 17101, online (www.PADogLicense.com), through the mail, or at an agent location (the closest of which is Hornung's True Value at 1000 Peters Mountain Road).

Lifetime license are available only in person or through the mail. Lifetime licenses require either a microchip or tattoo.

Licensing is important! The Dauphin County Treasurer's office maintains a database of licenses that are issued, which enables lost dogs to be returned to their owners more readily. It is also mandated by state law. Fines for failing to secure a license range from \$25.00 to \$300.00.

Fire claimed a precious piece of our community, but it couldn't touch our community spirit. With a few adjustments, the Dauphin-Middle Paxton Lions Club is ready to serve up its usual spring and summer fun.

Nonetheless, plans are underway to have bands, food trucks, rides, Bingo, and other games for the annual summer carnival on Tuesday, July 12th through Saturday, July 16th, 2022. Dauphin Middle Paxton Joint Park Authority

Spring is just around the corner, and so is our next athletic season. Thank you to the Dauphin Athletic Association, Dauphin Baseball and Softball, and all of their volunteers, who work so hard to make the fields beautiful and ready for play. Much of the work done to maintain our park is performed by volunteers, and supplies and materials are often donated. If you are interested in volunteering your time or making a financial contribution to defray the cost of park projects, please contact Nichole O’Gorman at (717) 921-2212 or nogorman@staleyogormanlaw.com. Monetary donations can be mailed to us at PO Box 521, Dauphin, PA 17018. Your help is greatly appreciated.

As you make plans for summer picnics, parties, family reunions and other gatherings, consider renting one of the park’s pavilions. Rental fees are just \$50.00 for the large pavilion and \$25.00 for the small pavilion. Your rental includes use of the park ball fields, a handicapped accessible playground, and basketball and volleyball courts. Summer weekend dates are filling up fast! If interested in reserving a date, please contact Tim Wenrich at (717) 648-7490.

As a reminder, NO firearms or weapons are permitted on park property AT ANY TIME. For the safety of everyone enjoying the park, hunting is NOT permitted. Also, dumping of yard waste, brush, trash or other debris in any area of the park, including our dumpsters, is **STRICTLY PROHIBITED**. Dumping impairs the public use and enjoyment of the park and unnecessarily consumes volunteer resources for cleanup. Violators will be prosecuted.

Our meetings are open to the public. All are welcome to attend. Meetings occur on the 4th Monday of each month at 7:00 P.M., January through October. During May through September, meetings are held in the large pavilion at the park. All other meetings are held at the Dauphin Borough building.

Clarks Creek Watershed Preservation Association

Now that life seems to be slowly returning to normal, your Clarks Creek Watershed Preservation Association (CCWPA) has been active in many different ways, including becoming much more visible to the public, as we fight to preserve and protect our Middle Paxton/Dauphin County watershed. We are still very happy that we participated in the important fight to save our watershed from a questionable zoning change and possible warehouse erection, as detailed in previous articles and on our website and Facebook page, where there are videos and many photos of this effort. Rest assured, our CCWPA has not ceased to monitor zoning and construction permitting and activity, as part of our commitment to safeguard the purity of our watershed.

Here are some highlights of our recent activities:

Saturday, September 18th, 2021: 11th CCWPA Annual Meeting

CCWPA held its 2021 Annual Meeting, its 11th since its incorporation, in Hagy Park, 1130 Mountain Road, Dauphin, at 2:00 P.M. on Saturday, September 18th, 2021. At the Annual Meeting, we reviewed CCWPA efforts and activities of 2020-2021, discussed the latest testing and condition of the watershed, and gave notice of future efforts and events. As appropriate for a picnic location, we also had a great time sharing watershed facts and events and enjoying a beautiful day.

Saturday, October 23rd, 2021: 21st Adopt-A-Highway Trash Collection

The CCWPA held its 21st Adopt-a-Highway Trash Collection Effort on Saturday, October 23rd, 2021 from 9:00 A.M. - 12:00 P.M. Once again, our efforts were supportive of the Great American Clean-Up of Pennsylvania. We collected 7 bags of recyclables and 10 bags of trash, plus numerous car parts! A great time was had by all, despite a little drizzle, and the pizza party afterwards was one of the most fun we've had in years! Thanks to everyone who volunteered!

Upcoming CCWPA Events:

Saturday, May 7th, 2022: 22nd Adopt-A-Highway Trash Collection

Volunteers needed! The CCWPA is holding its 22nd Adopt-a-Highway Trash Collection Session on Saturday, May 7th, 2022 from 9:00 A.M. - 12:00 P.M. Full information is posted on the CCWPA Facebook Page and website, including a rain date if needed. We hope to see you!

Tuesday, September 20th, 2022: 12th CCWPA Annual Meeting

CCWPA has tentatively scheduled its 2022 Annual Meeting for Tuesday, September 20th, 2022 at 7:00 P.M. An exact location will be announced as the event nears. Members and friends are welcome! At the Annual Meeting, we review CCWPA efforts and activities of the past year, discuss the latest testing and condition of the watershed, and give notice of future efforts and events. Due to the staggering of Board terms, there will be an election for Board positions at this meeting.

For information about the Clarks Creek watershed, general information on watershed protection, links to other Watershed Preservation associations and water-protection groups, and details about the activities of CCWPA, please visit our Facebook page at www.Facebook.com/CCWPA or our website at www.CCWPA.org. Use our Contact Form to let us know you're interested in joining and/or helping out, or send us an e-mail to info@ccwpa.org.

State Representative Sue Helm (Dauphin/Lebanon Counties)

Reminder—Pennsylvania's Move Over Law

Pennsylvania's Move Over Law went into effect almost a year ago, but I'm finding that many motorists are not aware of their responsibility when encountering emergency response areas on area roadways. The law states you must merge into a lane farther from the scene or drop your speed by more than 20 mph less than the posted limit if you cannot leave the lane.

Emergency response areas are primarily the shoulders of roads where emergency vehicles have flashing lights or where crews have used lighted flares, posted signs, or other methods of warning motorists.

Fines for violating the law start at \$500.00. A driver faces license suspension for repeated infractions.

As you may know, Halifax firefighter Tyler Laudenslager tragically died in 2020 when a speeding vehicle hit him while he was providing roadside assistance as a tow truck driver. His family, friends, and fellow first responders advocated for stiffer penalties for motorists who drive dangerously near an emergency response area.

I'm thankful for their advocacy and am proud we in the Legislature quickly responded to strengthen the Move Over Law.

State Senator John DiSanto (Dauphin/Perry Counties)

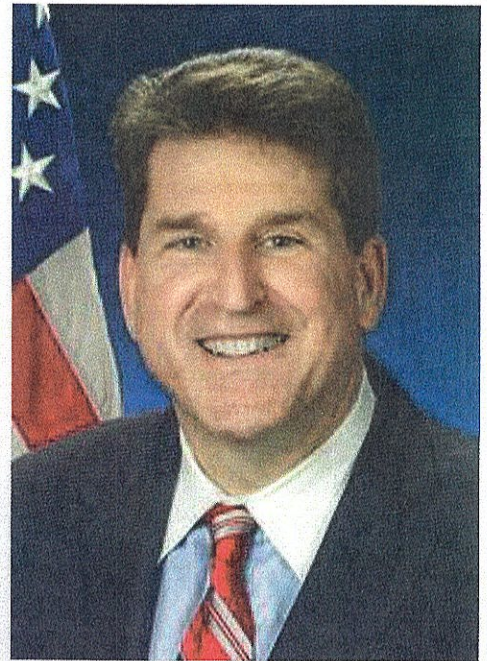

New Law Prohibits Surprise Medical Billing

The federal No Surprises Act took effect on Saturday, January 1st, 2022 to protect patients from surprise medical bills. This occurs when a patient unknowingly obtains health care outside of their plan's provider network and incurs medical costs associated with out-of-network providers.

For emergency services, the No Surprises Act requires the services to be covered without needing approval from your insurance company first, regardless of network status except for ground ambulance services. For non-emergency services covered by your health plan, where you choose an in-network provider, but an associated party, like a lab, is out-of-network, the No Surprises Act requires these services to be covered as if in-network.

In both cases, the No Surprises Act protects you from being billed for more than what you would have paid if those other providers were in-network.

It is the responsibility of the provider to identify if a service is protected by the Act. However, if you believe you received a surprise balance bill, you may visit www.Insurance.PA.gov/NoSurprises to submit a bill to the Pennsylvania Insurance Department for review.

New State Veterans Recognition Days Now Law

I was pleased to support Act 87 of 2021 which designates March 6th as Persian Gulf War Veterans Day and October 7th as Global War on Terrorism Veterans Day. These special observations join existing state recognitions for veterans of World War II, Korea, and Vietnam.

The new law also requires the governor to issue a proclamation every year encouraging all public schools to observe these special days by conducting exercises recognizing the contributions and sacrifices made by these veterans. Over 2.5 million Americans served in these conflicts with more than 6,000 paying the ultimate price to protect our freedoms, and it is vital to pay our respects to these brave men and women.
